

YOUNGBLOOD

CAPULET 1

Remember the words you told me
"Love me 'til the day I die"

MONTAGUE 2

Surrender my everything
'Cause you made me believe you're mine

CAPULET 3

Yeah, you used to call me baby
Now you're calling me by name mmmmm

MONTAGUE 4

Takes one to know one, yeah
You beat me at my own damn game

CAPULET 1

You push and you push and I'm pulling away
Pulling away from you

MONTAGUE 2

I give and I give and I give and you take
Give and you take

CAPULET 3

Youngblood
Say you want me, say you want me out of your life

MONTAGUE 4

And I'm just a dead man walking tonight
But you need it, yeah, you need it all of the time
Yeah, *ooh, ooh, ooh*

ALL

Youngblood
Say you want me, say you want me back in your life
So I'm just a dead man crawling tonight
'Cause I need it, yeah, I need it all of the time
Yeah, *ooh, ooh, ooh*

FIREWORK

LADY CAPULET

Do you ever feel like a plastic bag
Drifting through the wind, wanting to start again?

NURSE

Do you ever feel, feel so paper-thin
Like a house of cards, one blow from caving in?

JULIET

Do you ever feel already buried deep
Six feet under screams but no one seems to hear a thing

NURSE

Do you know that there's still a chance for you
'Cause there's a spark in you

LADY CAPULET

You just gotta ignite the light and let it shine
Just own the night like the 4th of July

NURSE

'Cause, baby, you're a firework
Come on, show 'em what you're worth

LADY CAPULET

Make 'em go, "Ah, ah, ah"
As you shoot across the sky

ALL

Baby, you're a firework
Come on, let your colors burst
Make 'em go, "Ah, ah, ah"
You're gonna leave 'em all in awe, awe, awe

AWAKE AND ALIVE

ROMEO 1

I'm at war with the world and they
Try to pull me into the dark
I struggle to find my faith
As I'm slipping from your arms

JULIET 1

It's getting harder to stay awake
And my strength is fading fast
You breathe into me at last

ALL FOUR SINGERS

I'm awake I'm alive
Now I know what I believe inside
Now it's my time
I'll do what I want 'cause this is my life

ROMEO 1

Here

JULIET 1

Right here

ROMEO 1

Right now

JULIET 1

Right now

ROMEO/JULIET 1

I'll stand my ground and never back down
I know what I believe inside
I'm awake and I'm alive

JULIET 2

I'm at war with the world 'cause I
Ain't never going to sell my soul
I've already made up my mind
No matter what I can't be bought or sold

ROMEO 2

When my faith is getting weak
And I feel like giving in

You breathe into me again

ALL FOUR SINGERS

I'm awake I'm alive

Now I know what I believe inside

Now it's my time

I'll do what I want 'cause this is my life

ROMEO 2

Here

JULIET 2

Right here

ROMEO 2

Right now

JULIET 2

Right now

ROMEO/JULIET 2

I'll stand my ground and never back down

I know what I believe inside

I'm awake and I'm alive

BRING ME TO LIFE

JULIET

How can you see into my eyes like open doors?
Leading you down into my core
Where I've become so numb, without a soul
My spirit's sleeping somewhere cold
Until you find it there and lead it back home

FRIAR / JULIET

Wake me up / Wake me up inside
I can't wake up / Wake me up inside
Save me / Call my name and save me from the dark
Wake me up / Bid my blood to run
I can't wake up / Before I come undone
Save me / Save me from the nothing I've become

JULIET

Now that I know what I'm without
You can't just leave me
Breathe into me and make me real
Bring me to life

FRIAR / JULIET

Wake me up / Wake me up inside
I can't wake up / Wake me up inside
Save me / Call my name and save me from the dark
Wake me up / Bid my blood to run
I can't wake up / Before I come undone
Save me / Save me from the nothing I've become

LET YOU DOWN

MONTAGUE

Feels like we're on the edge right now
I wish that I could say I'm proud

ROMEO

I'm sorry that I let you down
Let you down

LADY MONTAGUE/MONTAGUE

All these voices in my head get loud
I wish that I could shut them out

ROMEO

I'm sorry that I let you down

MONTAGUE/LADY

Le-le-let you down

ROMEO

Yeah, I guess I'm a disappointment, doin' everything I can
I don't wanna make you disappointed, it's annoying
I just wanna make you feel like everything I ever do
Was never tryna make an issue for you, but I guess the more you
Thought about everything you were never even wrong
In the first place, right? Yeah, I'ma just ignore you

LADY MONTAGUE

Walking towards you with my head down
Lookin' at the ground, I'm embarrassed for you

ROMEO

Paranoia, what did I do wrong this time?
That's parents for you

MONTAGUE

Very loyal? Shoulda had my back
But you put a knife in it—my hands are full
What else should I carry for you?
I cared for you, but...

LADY MONTAGUE

Feels like we're on the edge right now

I wish that I could say I'm proud

ROMEO

I'm sorry that I let you down

Le-le-let you down

MONTAGUE/LADY MONTAGUE

All these voices in my head get loud

I wish that I could shut them out

ROMEO

I'm sorry that I let you down

Le-le-let you down

DECODE

JULIET

How can I decide what's right
When you're clouding up my mind?

NURSE

I can't win your losing fight all the time

JULIET

How can I ever own what's mine
When you're always taking sides
But you won't take away my pride
No not this time
Not this time

NURSE

How did we get here?
Well, I used to know you so well
How did we get here?
Well, I think I know

NURSE (to Friar/Romeo)

The truth is hiding in your eyes
And it's hanging on your tongue
Just boiling in my blood
But you think that I can't see
What kind of man that you are
If you're a man at all
Well, I will figure this one out
On my own

JULIET

(I'm screaming, "I love you so")

NURSE

On my own

JULIET

(My thoughts you can't decode)

NURSE

How did we get here?
Well, I used to know you so well, yeah
How did we get here?
Well, I think I know

MIRRORS

ROMEO

Aren't you somethin' to admire?
'Cause your shine is somethin' like a mirror
And I can't help but notice
You reflect in this heart of mine
If you ever feel alone and
The glare makes me hard to find
Just know that I'm always
Parallel on the other side

ROMEO AND JULIET

'Cause with your hand in my hand and a pocket full of soul
I can tell you there's no place we couldn't go
Just put your hand on the past
I'll be tryna pull you through
You just gotta be strong

ROMEO AND JULIET

I don't wanna lose you now
I'm lookin' right at the other half of me

JULIET

The vacancy that sat in my heart
Is a space that now you hold

ROMEO

Show me how to fight for now
And I'll tell you, baby, it was easy
Comin' back here to you once I figured it out
You were right here all along

ROMEO AND JULIET

It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me

BLOOD // WATER

MERCUTIO

We'll never get free
Lamb to the slaughter
What you gon' do
When there's blood in the water?
The price of your greed
Is your son and your daughter
What you gon' do
When there's blood in the water?

TYBALT

Look me in my eyes
Tell me everything's not fine
Oh, the people ain't happy
And the river has run dry
You thought you could go free
But the system is done for
If you listen real closely
There's a knock at your front door

TYBALT

We'll never get free
Lamb to the slaughter
What you gon' do
When there's blood in the water?

MERCUTIO

The price of your greed
Is your son and your daughter
What you gon' do
When there's blood in the water?

MERCUTIO/TYBALT

When there's blood in the

When there's blood in the
